MEMORANDUM

ENVIRONMENTAL ENGINEERING SERVICE

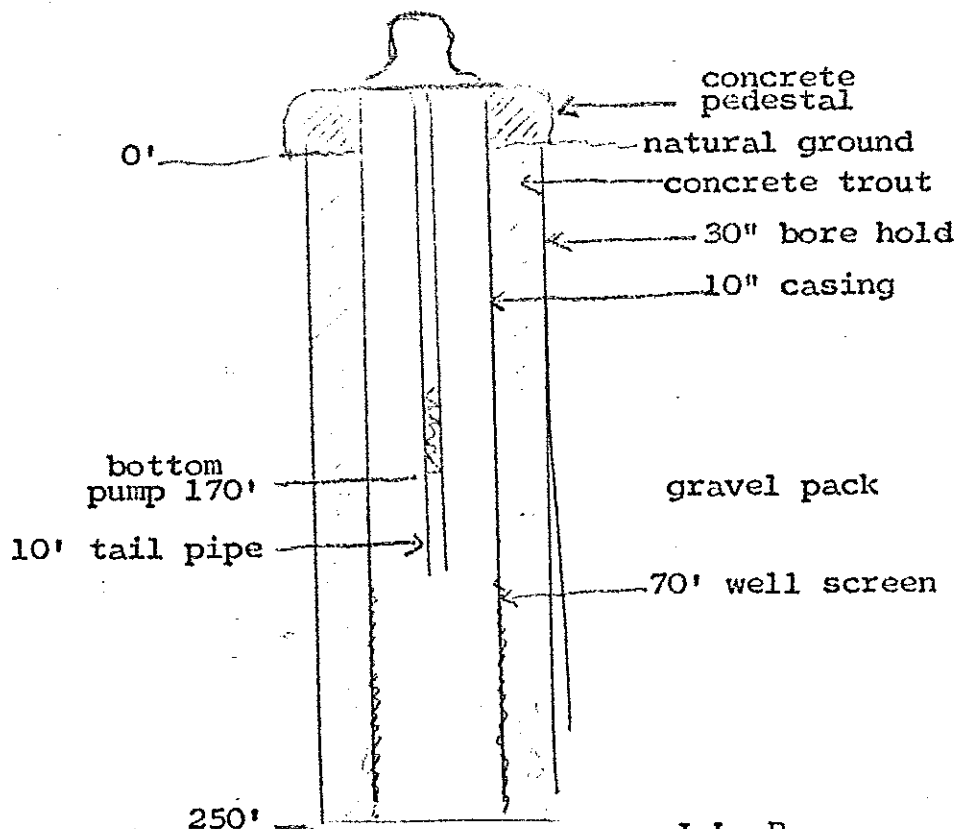

Iowa State Department of Health

To Water Supply Central Office From Jerry L. Rattenborg

Subject Lake City -- New Well #3

Date July 27, 1972

The new #3 well at Lake City has been placed in operation. The well is 250' deep and gravel packed with 20 yds. of material. The following sketch illustrates well construction. The pump-house has not been constructed as yet.
